

# Amanda Gardfors Granberg

World Designer

## 📁 Employment History

### World Designer at Avalanche Studios Group

April 2021

Creating locations within an open world. Focusing on environmental storytelling; creating places that are interesting to explore and tell an interesting narrative. Responsible for planning and estimating tasks and deciding what to include on each location. Additional creative writing for narrative Collectables.

### Teacher in Story Telling at Fridhems Folkhögskola

2017 – 2018

Teaching and coordinating a course in "storytelling through different media". Giving lectures in things such as character development, dramaturgy and visual storytelling. Mentoring the students on their individual projects.

### Project Coordinator for "Young Metaphor Wrestlers" at Dunkelbyrå

2013 – 2015

Coordinated a project creating shows and workshops in an artform mixing poetry, competition and improvised theater. Responsible for, among other things, recruiting participants for workshops, leading workshops, creating and producing in public shows, keeping the project within budget.

## 🎓 Education

### Level Design, The Game Assembly, Malmö

September 2018 – April 2021

Courses focusing on Level Design, visual scripting, 3D modelling, composition and world building. Working in different interdisciplinary groups to release 8 different games, using scrum and learning to communicate and work within a team.

### Pedagogical Drama I, II, III, IV, Malmö University

2015 – 2017

Learning to lead groups of different ages by using different drama techniques. Theory and practice. Taught me a lot about different kinds of leadership and communication.

### Creative Writing I, II, Malmö University

2017

Writing short stories and poetry in English. Giving response to classmates, and iterating on one's own text after feedback.
